### *Generation No. 1*

1. EDMUND WILLIAM<sup>4</sup> MCGRAW (*MICHAEL<sup>3</sup> MCGRATH, WILLIAM<sup>2</sup>, JOSEPH<sup>1</sup>*)<sup>1</sup> was born Bet. 1811 - 1820 in Co. Tipperary, Ireland, and died 14 May 1899 in Truxton, New York<sup>2</sup>. He married MARY RYAN 01 September 1841 in Upperchurch, Co. Tipperary, Ireland<sup>3</sup>, daughter of PHILIP RYAN. She was born Abt. 1812 in Ireland, and died 01 December 1899 in Truxton, New York<sup>4</sup>.

Notes for EDMUND WILLIAM MCGRAW:

The name is more commonly spelled "McGrath" in English.

An Edmund McGrath, believed to be the correct person, arrived in New York City on the ship NEW HAMPSHIRE on 29 November 1848, from Liverpool, England. His age on the passenger list is 26 and occupation is "laborer." His destination is listed as "New York" (other passengers were headed for Albany, Boston, Long Island, Virginia, etc). This apparently means New York City. The NEW HAMPSHIRE was a very small ship, only 598 tons. On this voyage it carried 211 passengers. Two died at sea.

Doug Currie's research:

In the 1855 NY State Census Edmund is listed as naturalized, which requires 5 years residency, and having lived 2 months in the Village of Truxton. In the 1860 Federal census, the family was located in Cuyler, NY, and had acquired real estate worth \$900, probably a farm.

Edmund died of "old age," according to the Death Register of Cortland County, and is buried in the Truxton Catholic cemetery in the McGraw plot as "Grandfather".

2. MICHAEL WILLIAM<sup>5</sup> MCGRAW (*EDMUND WILLIAM<sup>4</sup>, MICHAEL<sup>3</sup> MCGRATH, WILLIAM<sup>2</sup>, JOSEPH<sup>1</sup>*) was born Abt. June 1843 in Upperchurch, Tipperary, Ireland, and died 09 April 1923 in Truxton, Cortland, New York. He married ALICE ROONEY 07 April 1882 in Immaculate Conception Church, Pompey, NY?, daughter of JAMES ROONEY and MARY SLOAN. She was born 31 August 1859 in Tullyframe, Killeel, Co. Down, Ireland, and died 20 January 1940 in Truxton, NY<sup>5</sup>.

Notes for MICHAEL WILLIAM MCGRAW:

Michael was baptized on 19 November 1843 in Drumdiha, Upperchurch, Co. Tipperary, Ireland. The sponsors were John McGrath and Ally Sweeney.

According to Doug Currie, "Michael, Alice and family settled in the Town of Truxton on Farm Lot 83, which was located on the North Road about two miles out of the village of Truxton. The farm lot had about 10 acres, but apparently Michael's principal occupation as this time was a school teacher and part-time farmer. His obituary indicates he taught school in Truxton, Cuyler, and Solon, and at one time he was a store keeper, and also a stone mason. However, he seemed to be best known as a scholar, at least in the eyes of some of his contemporaries. In the publication "Keeney Settlement," by O.W. Webster, published in 1917, the author states "Michael McGraw, now of Truxton, New York, attended school at the Bardeen School House and at Keeney Settlement... he gained a reputation in his school days of being proficient in mathematics. There were few who equaled him in that branch of learning."

"At some unknown time, the farm house on the North Road burned to the ground and the family moved to a house in Truxton on the corner of Main and Prospect Streets."

It was stated that people could set their clocks by Mike McGraw walking by on his way to mass on Sunday at Pompey (NY).

Michael is buried in the Truxton Catholic cemetery in the McGraw plot as "Father".

An 1860 description of the Town of Truxton:

Truxton, named in honor of Commodore Thomas Truxton, was formed from Fabius, April 8, 1808, and embraced the S. half of the latter town. The N. 4 tiers of lots of Solon were annexed April 4, 1811. Cuyler was taken off in 1858. It is the N. E. corner town of the co. The surface consists of a broken upland divided into ridges, which have a general northerly and southerly direction. The east branch of the Tioughnioga River flows in a S. W. direction through the center of the town, cutting the ranges of hills diagonally. The Truxton Hills are the highest in the co. North of the river, nearly the whole surface is divided into sharp ridges with steep declivities, their summits being technically termed "hog backs." Muncey Hill, in the S. E. part, the highest land in town, is a wild, broken region, poorly adapted to cultivation. On the N. border is a small lake known as Labrador Pond, noted for its wild and picturesque scenery. Upon a small brook, which flows into the outlet of this pond from the E., is a beautiful cascade, called Tinkers Falls. The soil is generally a sandy and gravelly loam. In amount of dairy products this town is one of the first in the State. Truxton (p.v.) contains 257 inhabitants, and Cuyler (p.v.) 112. Keeney Settlement is a hamlet on the N. line. There are in town a woolen, a sash and blind, and butter tub factory, and an extensive carriage shop.
