

Upperchurch Graveyard Inscriptions

transcribed by Beverly Jean Muncy Bouthillier

On January 3, 2006, I visited the cemetery in Upperchurch village, Co. Tipperary, Ireland. While there, I photographed and made notes of several headstone inscriptions, focusing mainly on those for Ryan that had old dates. Although these may or may not be pertinent to my ancestors, I thought it would help other Ryan researchers too. I tried to be as accurate as possible. Bearing that in mind, the following is the information I recorded that day:
